

Dear Parents/Guardians,

20<sup>th</sup> March 2018

I am writing to remind you of the revision sessions running during the Easter holidays and the final timetable for the May holidays. These sessions will focus on developing exam technique. These sessions provide an opportunity for your son/daughter to spend an extended period of time working on one subject area. Also it helps students to really carry out some focussed and structured preparation with their teacher at key times of the year.

The dates and times of revision sessions running during holidays are listed below:

**Easter holidays**

It has been evident in previous years that attendance at the revision sessions builds confidence in students by providing an extra layer of targeted intervention towards exam success. Historically students who have attended these sessions with have achieved or exceeded their full potential.

Should you have any questions about these revision sessions please do not hesitate to contact me either by phone or by email on [cookseyd@vandyke.cbeds.co.uk](mailto:cookseyd@vandyke.cbeds.co.uk).

Yours sincerely,

David Cooksey  
 (Director of Year 11)
