## A new way to record, track and monitor homework at Vandyke Upper School.

We are excited to be launching Show My Homework, an online tool to help you keep track of your child's homework. Show My Homework will allow you to see the details of the tasks your child has been set.

- ✓ 24/7 access
- ✓ View your child's homework
- ✓ Translation into over 50 languages
- ✓ Apps available for iPhone, iPad, iPod Touch, and Android devices

We'll be launching Show My Homework to students on **8<sup>th</sup> June 2015** and in a month's time (once all the students have logged in) you will be provided with login details to your personal account, ready-linked to your child's homework calendar. Until then you can visit [www.vandyke.beds.sch.uk](http://www.vandyke.beds.sch.uk) and click on Learning/Show My Homework to view our school's live homework calendar.

We hope that this service will provide parents with a deeper insight into the homework your child receives. More importantly, we hope that it will improve your child's organisation, time-management, and help them to keep on top of their workload.

Any student who does not have access to the internet at home will either be provided with hard copies of the work or can complete their work in the school library.

If you'd like to get in touch with the school or provide feedback, please contact Mrs Kelby via email – [kelbys@vandyke.cbeds.co.uk](mailto:kelbys@vandyke.cbeds.co.uk).

Thank you once again for your support,  
Yours Sincerely,

**Mrs S Kelby**  
Assistant Headteacher
