

To all parents / carers

9 February 2018

Dear Parent/ Carer

**Term dates 2018-19**

We published term dates for the next school year (2018-19) some time ago. One principle guiding these was to keep to Central Beds dates as agreed by all schools. Since then, some schools in the town have decided to change their term dates and so we have reviewed them also and decided to change the term dates around Christmas. We will now finish on 21 December 2018 (instead of 19 December) and start back on 7 January 2019 (instead of 3 January). The number of school days remains unchanged and I hope that the slightly longer break over the festive period will be welcomed by students and parents.

I apologise for making changes having once published term dates. Should the change of term dates present a problem because of any family arrangements you might have already made, please contact your son/daughter's Head of Year to discuss this.

The amended term dates are on the school website.

Yours sincerely
