

June 2018

Dear Parent/Carer

As you will be aware your son/daughter has chosen to study Design and Technology to GCSE level within the DT Department.

To ensure that all students have the opportunity to be suitably equipped the department has put together a pack of essential basic drawing equipment which students can purchase from the school.

The pack contains: -

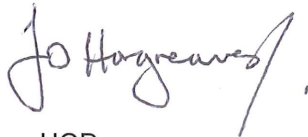

- An A3 Plastic Portfolio (all students must have one of these to transport work to and from school)
- A school named, 2 GB USB Memory Stick for exam work storage. (All students must purchase one of these)
- A4 Zip Folder x1
- A3 Zip Folder x 1
- Set of 12 Assorted coloured pencils
- Set of 10 Assorted coloured fine line pens
- Set of 4 Black fine line drawing pens (different sizes)
- 2 x Drawing pencils
- 1 x 450 mm ruler
- 1 x Eraser
- 1 x Metal Pencil Sharpener
- A4 Theory ring binder
- A DT revision guide and a DT practice paper exam paper and coursework guide (required by all students).

The cost of this pack is £38.50, but now includes the cost of all materials required for this year's practical projects, this is normally a separate contribution of £12. I am confident that the pack represents excellent value for money and would recommend that all students consider buying one

If you would like to order a pack for your child, and in order to allow us to order the materials for the packs to be ready for use in September, please send a **cheque** for £38.50. made payable to **Vandyke Upper School** by **Friday 13th July 2018. A reply envelope is enclosed to assist you in this matter.**

If you would like any further information about the above please do not hesitate to contact me at school.

Yours faithfully

JD Hargreaves HOD
