

SCHOOL LETTINGS POLICY 2017-2018

RESPONSIBILITY:	FINANCE AND RESOURCES COMMITTEE
------------------------	--

PROPOSED BY:	SCHOOL BUSINESS MANAGER
---------------------	--------------------------------

TYPE OF POLICY:	DISCRETIONARY
------------------------	----------------------

DATE AGREED BY FINANCE AND RESOURCES COMMITTEE:	23 MARCH 2017
FREQUENCY OF REVIEW:	ANNUAL
NEXT REVIEW:	MARCH 2018

APPROVED BY:	FULL GOVERNING BODY
DATE APPROVED AND ISSUED:	27 MARCH 2017
SIGNATURE:	 CHAIR OF GOVERNORS

In reviewing this policy, the Finance and Resources Committee has taken into account the provisions of the Equality Policy 2016

Introduction

The Governing Body regards the school buildings and grounds as a community asset and will make every reasonable effort to enable them to be used as much as possible.

However, the overriding aim of the Governing Body is to support the school in providing the best possible education for its students, the promotion of equality of opportunity and the community cohesion of the local area. The Governing Body reserves the right to decline any letting which, in its opinion, does not support the values of Vandyke Upper School. Any lettings of the premises to outside organisations will be considered with this in mind. If the Headteacher has any concern about whether a particular request for a letting is appropriate or not, he will consult with the Chair of Governors.

Definition of a letting

A letting is defined as:

“Any use of the school buildings and ground by parties other than the school. This may be the Local Authority, another school, a community group (such as guides/scouts or youth football team), a charity (or equivalent), or a commercial organisation (such as a childcare provider or football league)”.

The following activities fall within the corporate life of the school. These activities are not considered to be lettings and costs arising from these uses are therefore a legitimate charge against the school’s delegated budget:

- Governing body meetings
- Extra-curricular activities for students organised by the school
- School performances
- Parents’ meetings
- Meetings of the PTA
- PTA organised events

Charges

The Governing Body is responsible for setting charges for the letting of the school premises. These are set out in Appendix 1.

The scale of charges will be reviewed annually by the Finance and Resources Committee, for implementation from 1st September of that year.

The “Regular Hirers Rate” will apply to hirers who book and pay in advance for 10 sessions or more. The Finance and Personnel Officer has delegated authority to apply the “Regular Hirers Rate” where there are less than 10 bookings but the hirer is still considered a regular hirer, e.g. where closure of a facility for school use prevents the hirer from booking a series of 10.

The “Regular Hirers Rate” will apply to the booking of the theatre for rehearsals or a production of 3 hours or more.

The “Sports Development Rate” will apply to youth group bookings of sports facilities for 10 sessions or more between 6pm and 7pm Tuesday to Thursday and between 6pm and 8pm on Mondays and Fridays.

The minimum hire period will be one hour. The school reserves the right to require a deposit over and above the hiring charge as a surety against damage to the premises (including any equipment) or the premises being left in an unacceptable condition resulting in additional costs for cleaning, caretaking or other expenses.

Any concessions other than those provided for in this policy are at the discretion of the Finance and Resources Committee of the Governing Body. Current approved concessions are detailed in Appendix 2.

In the event of the hirer cancelling a booking, a credit/refund will only be given if 7 days' notice in writing is given to the Assistant Finance and Personnel Officer.

Full terms and conditions for hirers are attached at Appendix 3

Letting times

Facilities are available for hire from 6.00 pm to 10.00 pm weekdays, and from 9.00 am to 4.00 pm at weekends. During the school day, certain facilities may be available for hire by other schools, officers of the Local Authority and Trust Partners subject to the agreement of the Headteacher.

Conduct of users

This is set out in the Terms and Conditions attached at Appendix 3.

Security

The Headteacher has delegated authority to determine the security risk for each letting and will be responsible for allocating a continuous security presence or other control measure.

Management of lettings

The Governing Body has delegated day-to-day responsibility for lettings to the Headteacher. Where appropriate, the Headteacher may delegate all or part of this responsibility, such as security, insurance arrangements, child protection to other members of staff, whilst still retaining overall responsibility for the lettings process.

Lettings Procedure

The lettings procedure is overseen by the Finance and Personnel Officer.

Hirers are required to complete and sign a booking form (Appendix 4), detailing their requirements. A completed booking form sent by e-mail, attached to the hirer's own e-mail address, will also be acceptable.

The Assistant Finance and Personnel Officer may take provisional bookings and make an appropriate entry in the lettings diary. The booking will be confirmed on receipt of a completed booking form.

Requests will be reviewed by the Assistant Finance and Personnel Officer, having made reference to this policy and checked availability in the lettings diary.

Only then will dates and times of hire be confirmed to the hirer in writing and an invoice raised by the Assistant Finance and Personnel Officer. A copy of the current Terms and Conditions will also be issued to the hirer.

The lettings diary is maintained by the Assistant Finance and Personnel Officer.

A pre-numbered official invoice will be promptly raised by the Assistant Finance and Personnel Officer. The invoice number will be entered in the lettings diary and the booking form filed with the copy invoice.

When payment is received by the Assistant Finance Officer, details of the payment will be recorded in FMS6. A receipt will be issued and filed with the paid invoice.

All out of school hours activities will be reported to the Assistant Finance and Personnel Officer for inclusion in the lettings diary to avoid double bookings and so that the Site Team has a complete picture of out of hours use of facilities.

The Assistant Finance and Personnel Officer will provide the Senior Site Agent and the Main Office with a weekly list of bookings in advance.

At the end of the week, the Senior Site Agent will return his booking list to the Assistant Finance Officer and Personnel Officer, clearly marked to show whether or not the hirers attended.
