Parents/Guardians of all Year 10 Students

Revision Guides

You may be aware that your son/daughter may need additional revision resources to help them consolidate their knowledge and prepare fully for their GCSE exams. These resources can be expensive but, as a School, we can purchase in bulk at a discounted price.

I have attached an order form of the required resources by subject area, which will allow you to choose which books to buy. If you wish to purchase at a discounted price via the School, please return the completed order form, together with full payment to the school Finance Office. When the books arrive, they will be distributed via tutor groups.

Students who attract Pupil Premium funding will be eligible for resources paid for by the School. Please ensure you complete the order accordingly. If you are unsure if your son/daughter is eligible for funding, please contact me.

Finally, if you require further assistance on any aspect of this process please contact me directly.
