

19th January 2018

Dear Parent/Carer

As part of our ongoing careers information and guidance education in year 12 we have taken the decision to take the current year 12 students to the What Career Live? And What University Live? Event at the NEC Birmingham on **Friday 2nd March 2018**.

This is an event for 15-19 year olds to help them decide what to do after leaving school; whether this be an apprenticeship, school leaver programme or university after A Levels.

Visitors can find out more about, and apply for, some of the UK's top apprenticeship schemes with companies including J.P. Morgan, PwC, Unilever, Deloitte, Network Rail and many more.

The UK's top universities will showcase their degree courses, campuses and provide further information on employability rates, student satisfaction and student fees. Universities at the event include Bristol, Nottingham, Leeds, Southampton, Manchester and Warwick plus many more.

There will also be plenty of fun, interactive skills experiences and free seminars to inspire young people with career paths to pursue after school.

Follow the link <https://www.whatcareerlive.co.uk/birmingham> for more information on the day.

The cost of the trip is **£10.00** to cover the transport costs. Students need to be at school for 8.00am and will be returning at approx. 15.45pm.
