

Dear Parent,

Aim Higher Evening 5.30 – 8.00 p.m. Thursday 2nd March 2017

I am writing to remind you that we are holding an Aim Higher event at which students and parents will have the opportunity to meet representatives from universities, colleges, training and apprenticeship providers and local employers to discuss college applications, university applications, apprenticeships and employment opportunities. There will also be two presentations, one focusing on the value of a university education and the other on the benefits of apprenticeships. You will have the opportunity to visit both if you choose to do so. The evening will be of value to all students including those considering applying to University or those looking at alternative career paths. This is an excellent opportunity for students and parents to access important information and advice in order to motivate and support students to plan carefully for their futures.

We will have representatives from:

Anglia Ruskin University
University of Bedfordshire
Loughborough University
3AAA Apprenticeships
Connells Group Apprenticeships
Milton Keynes College
Aylesbury College
Central Bedfordshire College
Bedford College

Northampton University
Pearson College

We are awaiting confirmation from other providers

Yours sincerely,

Mr Sean Downey
