

INVITATION TO ENGLISH AND MATHS FOCUS EVENING

Dear Parent/Carer,

As we enter the last few weeks of school before the final GCSE Examinations, I would like to invite you and your son/daughter to a short evening focussing on English and Maths on **Thursday 30th March 6:00 – 7:15pm.**

The vast majority of students are already “going the extra mile” in their drive to succeed in their examinations; however, the Easter Holidays and four weeks remaining after Easter can still have a significant impact for all students.

The evening will start with a very brief introduction in the theatre followed by two short sessions with English and Maths staff. We aim to give students resources and further guidance on how they can maximise the impact of their study, as well as guide parents/carers on what their son/daughter should be doing at this time, and how best to support them.

Thank you for your continued efforts in supporting your son/daughter, and I look forward to meeting you on the 30th of March.

Yours sincerely

Glen Skelton

Assistant Headteacher

Director of Year 11
